

Exercise 5: **Errata**

- **Query 2**

Compute the total number of the albums produced by the rock band Muse (requires to check the reduce check button in the CouchDB interface).

Map

```
function(doc) {
  var albums = doc.data;
  if(doc._id == "muse_albums") {
    for(var i = 0; i < albums.length; i++) {
      emit( 'MuseAlbum', 1 );
    }
  }
}
```

Reduce

```
function(keys, values, rereduce) {
  return sum(values);
}
```
